

# INTEGRABLE DAY IN LOUGHBOROUGH

Friday, 25 November 2005

Department of Mathematical Sciences

Centre for Nonlinear Mathematics and Applications

A half-day workshop on Integrable Systems will be held at the Department of Mathematical Sciences, Loughborough University, room W 145 on November 25, 2005.

13.30 **Ian Strachan** (Glasgow): *"Duality for Jacobi group orbit spaces"*

14.30 **Igor Loutsenko** (Oxford): *"Integrability in free boundary problems"*

15.30 Coffee break

16.00 **Nick Manton** (Cambridge): *"Skyrmions and nuclei"*

17.00 **Alexander Odesski** (Manchester): *"Introduction to elliptic algebras"*

This is one of the joint meetings of Integrable Systems groups from Edinburgh, Glasgow, Leeds and Loughborough universities, which are supported by the London Mathematical Society. Funds may be available to support the attendance of postgraduate research students. Enquiries should be addressed to the organiser: A.P.Veselov@lboro.ac.uk or 01509 222866.
